## INFORMATION KEY

- H. Location and Meter Details:** This area provides more details about meter readings and your rate class. More details about our rates can be found on our website.
- I. Payments and Charges:** You'll find your previous balance and applied payment on the left, and a breakdown of current charges on the right. This includes a monthly fixed Customer Charge that covers the cost of maintaining equipment necessary to deliver power to each member and a variable Energy Charge based on the number of kilowatt-hours consumed during the billing period.
- J. Message Center:** Look here for important information and time-sensitive reminders from your electric cooperative.
- K. Your Contact Information:** If you pay by mail or in person and need to update your contact information, you can fill out this section.
- L. Ways to Pay:** If you're looking for options to pay your bill, review the details here.
